START Accelerator originated in St. Gallen, but is not limited to it! One of this years highlights is an eventful trip to Berlin. Our goal is to explore the rapidly growing and evolving startup ecosystem in Berlin and provide our participants with great networking opportunities. During our time in Berlin, our participants

will get the chance to get to know and learn from a selection of startups and VCs in the areas of sales, online/viral marketing, design/branding, HR, expansion and funding. We will further organise meet-ups that provide the perfect environment to get in contact with relevant stakeholders from the startup ecosystem in Berlin.
